# Membership Portal Set-Up

1. Click on the link provided in the email we previously sent you. The below page will open in your browser. Here you will input your email address then click 'Reset Password':

2. Once you select 'Reset Password' this will send an email to the address you previously entered, asking you to set up a new password:
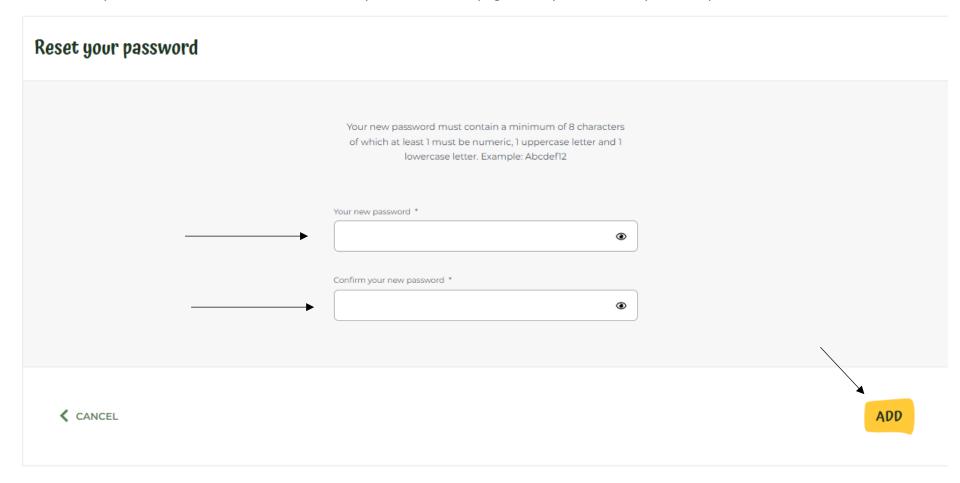

Hi █████

We have received a password change request for your account (████████████████). If you did not ask to change your password, please ignore this email and your password will not be changed.
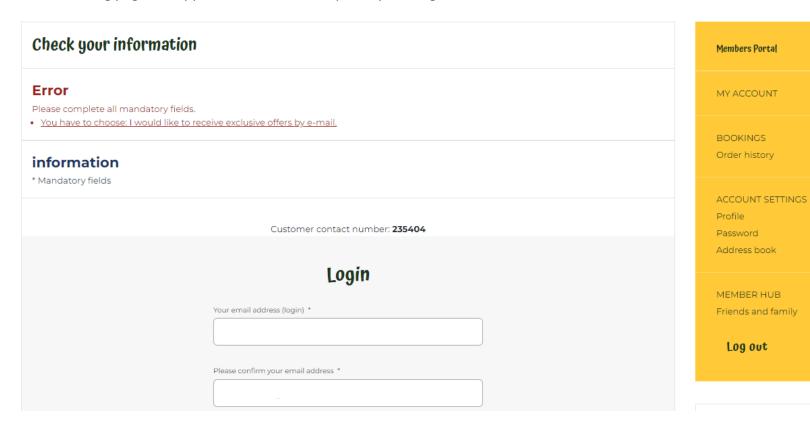

Reset Password

This link remains active for 48 hours. If this links expires, you will need to request a new link by starting the registration process over again.

3. Once you click the link in the email it will take you to the below page. Here you will enter your new password and click the 'Add' button:

Reset your password

Your new password must contain a minimum of 8 characters of which at least 1 must be numeric, 1 uppercase letter and 1 lowercase letter. Example: Abcdef12
